

Electronic Filing Software List

For the 2011 Tax Year

Following is a list of software companies approved by the Pennsylvania Department of Revenue to provide personal income tax electronic filing software and services for tax year 2011. Included in this list are companies that have been approved on a limited basis, because their software programs do not support all forms and schedules that may be filed electronically. This list will be updated as companies are approved to provide software or service. The PA Department of Revenue does not endorse or warrant these companies, their products or services. PA personal income tax software developer testing began Nov. 09, 2011, and concluded on Jan. 16, 2012.
